

Boy Scouts of America® Custom Patches

Custom designed patches have been our specialty for 22+ years. Our Factory can produce from your Artwork or ours a Quality Embroidered Patch that any Scouter or Arrowman would be proud to wear or display.

Embroidered Patches require 4-6 weeks from the placement of Order, and the final BSA® approval. All BSA® designs require prior approval for Size, Shape, Trademarks, Official Logos, Colors & Purpose.

Patches are figured by Length + Width ÷ by 2 = Size of Patch

Patches can be 50%, 75%, 85% or 100% Embroidered

Patches can have up to 9-colors with no Additional Cost, after 9-colors, please add .09¢ per color, per patch.

Patches can be finished with a Cut-Edge or Rolled Edge Border

Patches can have a Plastic Backing or Heat Seal(Iron on Backing)

Patches can have a Button Loop attached for an additional .08 ¢ Each

Patches can have Gold or Silver Mylar thread added to the design or border for an additional 10-20%, depending on % of Coverage.

Patches can be done with a Felt Background for an additional 10%

Patch artwork can be done by our Graphic Artist, if you don't have your own, or need ideas.

Patches for BSA® approval require a decal attached for identification

Patch Samples by email are preferred for your approval, but when a physical Sample is required, this can be done for minimal charge.

If a P.O. # is required through your Council or District, Please have this Number available at placement of Order.

We would be happy to give you a Free Quote on your next embroidered patch design for your upcoming Scouting activity.
