

Embroidered Patches

- Embroidered patches require 4–6 weeks from placement of order, depending on complexity and type of sample you request for approval.
- Patches are figured by Length + Width ÷ by 2 = Patch Size
- Patches can be 50%, 75%, 85% or 100% Embroidered
- Patches can have up to 9–colors with no additional cost, after 9–colors, please add .09¢ per color, per patch.
- Patches can be finished with a Cut Edge or Rolled Edge Border
- Patches can have a plastic backing or heat seal (Iron on backing)
- Patches can be done with a felt background for an additional 10%
- Artwork can be done by our Graphic Artist, if you don't have your own, or need ideas.
